

A vanity mirror with a glowing light border is the central focus. The mirror's reflection shows the words "Mirror Mirror on the Wall" written in a pink, chalk-like font. The vanity table in front of the mirror is cluttered with various beauty products, including makeup palettes, brushes, a hairbrush, and a smartphone. To the left, there is a bouquet of white roses. To the right, a red lamp and a white pump bottle are visible. The background features patterned wallpaper.
